Patient Portal Access

We are pleased to announce the introduction of secure online information services through the Plymouth GI Patient Portal. The patient portal will help us to correspond securely, keep your information up-to-date and is available 24/7 from the comfort of your home. Once you have completed your registration, you will be able to:

- View commonly requested portions of your medical chart
- Request a medication refill
- Provide updated insurance and billing information
- Request a copy of your medical record
- Send a message to your provider

We are excited about the PlymouthGI Patient Portal and hope that you will sign up! To connect with us online, follow these simple steps:

1. Visit our website at www.plymouthgi.com (click to enter)
2. Click on "Preparing for a Visit"
3. Under Forms and Info, click on Plymouth GI Portal
4. In the Portal Login field (upper right side), enter the following:
 - User ID (Email) – enter your full email address
 - Password: **gastroenterology** (you will have an opportunity to change this later)
5. Click Sign in – this will immediately ask you to change your password.
6. You will be asked to supply your DOB and/or gender
7. Select and answer a "hint" question

At this point, you should have access to your secure information through the PlymouthGI Patient Portal. If you have questions about your Plymouth GI portal access, please contact the office at 508-747-1560. We look forward to connecting with you online.

Best Regards,

PLYMOUTH GI
